RE: C00302570

Dear Ms. Hannan:

This letter is in response to the Commission's Request for Additional Information dated November 23, 2010, in reference to the Bass Victory Committee's October Quarterly Report covering the period of 8/26 through 9/30/10.

The Commission noted that the report included three contributions of \$1,000 or more that had not been previously filed on a 48-hour notice. All of the contributions in question were received after the 48-hour period and were erroneously entered by their mailing date. The receipt dates have been corrected and the Committee has reviewed its procedures for double-checking its data entries in its reporting software.

The Commission further noted an ambiguous disbursement description on Schedule B, Line 17. The description in question has been updated to more precisely reflect the purpose of the disbursement.

An amendment has been filed with the Commission to reflect the above changes. Thank you for your attention to this matter.

Sincerely,

Alexander Bass
Treasurer
